SERVICE

Love In Action

May 4th is our next time to serve our hungry neighbors. We are doing the PBJ sandwiches and lunch bags again. We do have frozen cookies ready to go, but since it IS May 4th if anyone has a favorite Star Wars dessert bar or cookie we can add that to our lunch bags. Finally thank you so very much for supporting this community.

WITNESS

Working for Justice in our community, state and nation

United Methodists Cares about Creation: As we move into "Earth Month," remember our United Methodist Social Principles.

We affirm that all creation belongs to God and is a manifestation of God's goodness and providential care. Human beings, nonhuman animals, plants, and other sentient and non sentient beings participate in the community of creation, and their flourishing depends on the care of all God's creation. Rather than treating creation as if it were placed here solely for humanity's use and consumption, we are called to practice responsible stewardship and to live in right relationship with the Creator and with the whole of God's creation (Gen. 1:26-31; Matt. 6:26-30; Rom. 8:22-24). We are also called to honor the role of every part of creation in healing the whole; thus we praise God with the whole of creation (Ps. 148) and recognize that we are part of complex ecosystems, all valued by God. We affirm our sacred calling to be responsible stewards and to lovingly tend all that God has wrought. We recognize the inherent worth of God's creation, celebrate earth's abundance and diversity, and, along with the entirety of the cosmos, give praise to its Creator. We recognize we are interconnected members of complex ecosystems, intricate webs of life, all of which have their origins in God's gracious act of creation.
